

## **Management Committee Statement**

The NESSSS Management Committee plays an important role in the life of the school. They take a long-term strategic view of the way in which the school is developing. Their main function is to ensure that the school improves so that the highest standards possible are achieved in all aspects of school life. In many ways, the Management Committee is like a board of directors of a company: they make decisions about standards, policies, funding and recruitment of senior staff. The Headteacher and the staff are responsible for the day-to-day running of the school. They work hard to implement the School Improvement Plan. It is the responsibility of the governors to challenge and support the school in its ways of achieving the best for students.

### **The Management Committees duties include:**

Promoting high standards

Setting targets for pupil achievement

Taking general responsibility for the conduct of the school

Managing the school's budget

Making sure that the curriculum is balanced and broadly based.

Participating in the appointment of senior staff and regulating staff conduct and discipline

If you would like any further information about the Management Committee please contact: Mr C Howard, Chair of Governors, [choward.nessss@btinternet.com](mailto:choward.nessss@btinternet.com)
